- c. Safely Surrendered Baby Program – There have been no new instances to report since last month.

- d. Membership – Chelsea Izzo has resigned from the council.
- e. Parent Advisory Group update – Summary of 9/15 meeting.
Susan reported from the last meeting held. They usually meet the third Monday of the month. The session was well attended with nine parents. It was held at 5:30 pm with five parents attending in person and four Oakdale mothers attending via Zoom. Lori Schumacher visited on behalf of CAPC. She reviewed the second half of the orientation presentation and CAPC's vision as the first half was reviewed at the August meeting. The parents were engaged and asked questions. What stood out to Lori was the group's interest in the website for personal use and also sharing it as a resource with others. The group was engaged with the website and using the QR code on the website to access information and coming up with additional ideas. They are also trying to figure out liaisons from the council to the parent group and what that would look like. One participant expressed interest in coming to the CAPC meeting. The next meeting will be the third Monday of October, likely at 10:00 am
- f. Website review – How can members share/promote CAPC website?
Ideas from brainstorming session were as follows:
- Create postcard or half-page flier to distribute, individually or at resource/outreach events.
 - Create promo items/website merch
 - Advertise through county and partner social media sites
 - Ask the county CEO to share via an email to the community (does this happen already?)
 - Link the website with a banner on the 211 website
 - Engage local news media to do an article or feature – connect to CAP month and convening
 - Share website at collaborative meetings and work with PAG to expand.
 - Post info in doctor/pediatric offices, laundromats, shopping centers
 - Ask FRCs and SCOE, schools to share and post
 - Share website out with list of people on our CAPC convening list
 - Link to CAPC logo
 - More swag
 - Movie theater ads, billboards, bus ads (do they still do these with newer buses?)
 - Have a CAPC logo billboard/stand up at partner offices (PD, FRCs, libraries ,etc)
 - Shopping cart ads
 - Sporting complexes – where so many families and youth congregate
 - Boys/Girls club

- Fliers for schools – hard copies or ask to share in announcements to students and parents
 - Connect with law enforcement and courts to present and share resources
 - CAPC members share out electronically/in person with their networks
 - Share with employers in the county
 - Launch a special event for the website – virtual or in person
 - Radio, TV ads to get the word out
- g. Budget Review – So far year to date we have received \$27,151 revenue in birth certificate fees, slightly higher than last year. Expenses thus far total \$30,868 for Hutton House, and \$1,646 for Parent Advisory for a total of \$32,514. Haseeb reported the amounts contracted for expenses in the budget. We are coming up on midyear budget which usually entails a review of the budget and vote on how to proceed. Christine talked about the history about why CAPC decided to keep a fund balance in the account which is currently a little over \$200,000.

Motion: Nancy Fisher made the motion that the current documented budget be continued through this fiscal year.
